

# Flush Fund

We are blessed with a fantastically versatile space which we can use for all sorts of community events:

## Concerts:

## Dances:

## Table Top Sales:

## Fun Day:

## And Crafts:

And more . . .

Weddings:

Baptisms:

Special Services:

**Building Toilets on the church would make it easier to:**

- **Host community events**
- **Hire out the church building**
- **Hold training events**
- **Have an 'Open Church'**
- **Welcome visitors**
- **Be accessible to the disabled.**

**We need to raise £55,000 to achieve this.**

**We are well on the way having raised £42k and we have instructed our architect to start things moving.**

**However, we still need to raise another £13k to reach our target. Can you help?**

**Please see the letter from our treasurer for ideas.**
