

Be Thankful

For all who love us and we love

**Be thankful that I came here for the first time on that wonderful morning in the sunshine.
If I missed, what would to be remembered?**

**Be thankful for the opportunity to meet with the miracle
when I don't know something meaningful.**

**Be thankful for the worship times,
during those times we become peaceful and joyful.**

**Be thankful for each pray,
because it is filling our heart with love and sunshine.**

**Be thankful for our friends,
they give us opportunities for understanding and improvement.**

**Be thankful for our curiosity,
they bring us valuable lessons in life.**

**Be thankful when we become kind and happy,
because it means we've made a new life.**

It's easy to be thankful for the good things.

**A life of rich happiness comes to those who
are also thankful for grace.**

**Gratitude can turn a negative life into
positive one.**

**Find a way to be thankful for our life,
and love can become our blessings.**

At this moment,

**Thank for what we have experienced here,
as well as what we are expecting on the way home....**
